

I thought you may be interested in providing the following information to your wrestlers attending the Kids regional's. We have negotiated complete meal and housing plans during our stay at Idaho State University. Like Fargo, we can stay in the campus dorms. The food plan allows for unlimited meals in the chow hall and the pricing is based on division. I think you will find the meal plan and the housing super-convenient and cost effective. Please reference USA wrestling when making the reservations. Adults and kid price is the same. The meal plan requires a little more paperwork. Details on the meal plan are listed below.
